Subject: Unified Command Approval
[removed.txt](#)

Language change for the main PIER site to address the traffic. Approved by Planning/Ops

The Unified Command for the Refugio oil spill response advises travelers that the shoulder in the southbound direction of U.S. Highway 101 west of Refugio State Beach in Goleta, California will remain closed for worker safety in the Refugio Response. All lanes are open, but the Unified Command would ask drivers maintain awareness in the area as there will be day and night operations.
